SHSMBA Fundraising Information

SHSMBA fundraising events allow us to help pay for equipment and music for the choral and instrumental programs, sponsor scholarships for graduating music students, and help defray the cost of the music banquet and music trips, among other things. Our largest expense is funding the Pioneer Marching Band program, at \$40,000, by paying for:

- US Bands/BOA Competition and Hosting Fees
- Drill Writing
- Percussion Music Arrangement
- Marching Band and Color Guard Uniforms
- Color Guard Flags
- On-Field Props
- Competition Day Meals, Bus Candy, and Cookie Salad for Home Football Games
- Senior Posters and Hat Plumes
- Show shirts for Marching Band/Indoor Percussion members
- Polo shirts for all Choral members
- Choir Meals during certain events

Why participate in SHSMBA fundraisers?

Every dollar earned goes back into the Music Program or into the Fundraising Pot. The fundraising dollars your student earns can be used to reduce the cost of various SHS Music Department events. Below is a short description of some trips your student may choose to participate in throughout their tenure at SHS.

- ✓ **Music Department Trip** – Every other year, the SHS Music Department takes select groups on a trip to perform at an out of state event. Each trip takes place in the Spring and varies in location. Past trips have been to Disney World, Montreal & Quebec City, Chicago with a stop in Cleveland along the way, Norfolk, VA, and most recently, Boston, MA.
- ✓ **Wind Ensemble Trip** – This trip typically occurs on the “off” year of the Music Department Trip and could either be a day trip or overnight trip. An example venue would be Kimmel Center in Philadelphia.
- ✓ **Choir Trip** – This trip typically occurs on the “off” year of the Music Department Trip and is usually a day trip like a visit to NYC Broadway for dinner and a show.

If it wasn't for SHSMBA fundraisers, students would assume the entire cost of each planned trip or event out of pocket. However, if he/she participates in the fundraising opportunities scheduled throughout the season and obtains a minimum of **four (4) points** the student will be eligible for an equal share of the annual fundraising pot that would help defray their costs. SHSMBA continues to provide multiple opportunities for students to gain a share of the fundraising pot if they qualify as per the below. For each fundraising event that a student has met all requirements, they will receive one (1) point toward the required four (4) points to gain a share of the annual Fundraising Pot. We encourage all families to take advantage of the fundraising opportunities to help lower the out-of-pocket costs of these events. (*A typical share of the pot is about \$300 but depends on how much money is earned and how many students qualify. The total amount may vary year to year.)

Fundraising for the following school year begins in the prior spring. If you have not done so already and would like to donate, now is your chance! **To provide NEW/freshmen students the same opportunity as current students, we have extended the donation period through December 1st for freshmen and new students only. We can only accept \$150 donations to receive one (1) fundraising point.**

FUNDRAISER POINTS...

Below is a sample of the typical fundraising opportunities you can take advantage of to reach the required **four (4) points** to receive a share of the fundraising pot. We have a mix of working and selling fundraisers so there is an opportunity for everyone to participate.
