

Hello SHSMBA Parents!

We would like to take a moment to introduce ourselves and give you a brief overview of SHSMBA Meals. We are Daniela Taylor and Michele Buttgereit, part of the SHSMBA Food Committee and returning SHSMBA parents. Welcome back to those returning with us for another fabulous year! We would also like to extend a warm welcome to those new parents who are joining us for the first time.

Daniela has a daughter, Alexis, who is a senior and one of the drum majors this year and she has a son, Zachary, who is an incoming freshman.

Michele has a son, Matthew, who is also an incoming freshman. However, her daughter, Erin, who will be attending college in September, was one of last year's drum majors. So Michele brings some experience to the table.

### ***What are SHSMBA meals?***

SHSMBA meals are when the parents provide food to the members of the band and color guard. These meals typically occur on competition days. After the students practice they need a meal before heading off to competition. That's where we come in and provide them with a well deserved SHSMBA meal!

SHSMBA meals could be breakfast, lunch or dinner. They are kept easy and simple due to the short amount of time the students have to eat. We will have a schedule of dates and the food items needed soon. This year we have 4 - 5 dates where meals will need to be provided. Once the dates/times are set there will be a SignUp Genius sent out via email for opportunity to volunteer to donate food items. Please be aware of what **food item(s)** you sign up for and the **time** the food item(s) will need to be dropped off at the school. If your item is to be delivered HOT you will need to bring it ready to serve. Timing is very tight on competition days so food delivery needs to be timely. If there is any additional communication it will be via email.

It is not required that you sign up for every date, but we do ask that you sign up for whatever dates you can offer assistance. If you have time to stay and help serve, that would be great! The kids love it and are so grateful!

Finally, we are always in search of volunteers to help us with the responsibility of planning SHSMBA Meals. If this is something you may be interested in doing or have questions about what the job entails, please feel free to contact us.

We look forward to working with everyone this year,
